President's Message

Hello Gamma Nu Sisters,

Even though we do not know how long it will be until we can meet in person, I look forward to "seeing" many of you at the August Breakfast! I am very excited to have our chapter try out our very first "virtual" meeting. After having my Presidents' training virtually, as well as our first Executive Board meeting, I feel even more confident our chapter will have success with these meetings. Staying connected during these times is so important. I hope everyone is still in good health, staying safe, and having some relaxing time this summer.

Thank you,
Nancy Bonds, Gamma Nu President

Red Roses to

Executive Board who has found a way to meet in spite of all of the restrictions!

Everyone who is staying home, wearing masks when getting out in public, and following the rules of this Pandemic. Because of your efforts and understanding hopefully we will see the end sooner than later!

Brenda Clem for continuing to keep us updated and informed of Gamma Nu happenings, upcoming events, and what our Sisters are doing!

Happy Birthday to You! July

This is just a friendly reminder that Gamma Nu dues for the 2020-2021 year are now past due!! Dues remain the same as last year at **\$85**.

Mona had to turn in a report on June 1 as to who had paid their dues. If you have not paid your dues and you wish to continue being a member, please stop and take a minute or two to complete this obligation.

If you like to use Venmo, feel free to send it to her at @Mona-Bonds.

High Notes / Grace Notes

Katherine George was scheduled for back surgery on June 10. On June 5th, she fell and broke her ankle. She will be in a "boot" for 6 weeks. As soon as the orthopedic doctor clears her, she will schedule the back surgery. Please pray for a successful and quick recovery!

Pat Thomas had her surgery and it was very successful. She will start radiation the last week of July for 6 weeks. **Gary** will start a Clinical Trial for CLL.

Erica Smith's son, Daylon Smith, sustained second degree and some third degree burns in June. He is recovering quicker than expected. Erica say, "God is Good!" and thanks to all who have prayed for them. She feels fortunate to be a part of an organization that is prayerful and supportive!

Wynona Montgomery continues to improve and is doing well.

How our Sisters are spending their "Stay Home" Time!!

Everyone is trying to stay home, be safe, and say lots of prayers that this event ends soon!

Julia & Bill Retz have spent their time relaxing at their home!

• Their home is on Lake Texoma. The flag was
• flown over the Philadelphia Naval Base on Sept.
• 30, 1995 when Bill closed the base as directed by
• the Base Closure Directive. At the time it was the
• oldest Naval Base. It had beautiful buildings
• from the 1800s. The flag was presented to Bill at
• the end of the ceremony. They only fly it on
• Memorial Day, 4th of July, and Veteran's Day.
• Lots of boats stop to take pictures of it!

The Clems have enjoyed their rocking chairs and smoothies every afternoon. Ricky is crocheting bottle covers and Brenda is doing needlepoint! And of course making masks and basket handle covers!!

Area 3 Workshop

In the interest of health and safety, the Area 3 Workshop will be a Virtual Event through Zoom on Saturday, September 19th. There will be a General Session of 30 minutes, followed by four breakout sessions, each being one hour.

- President's Training
- Treasurer's Training
- Membership Training
- Program/Projects Training

The Workshop will be recorded so chapter members will have access to it.

Mark your calendars for this event! The time will be announced at a later date!
