## President's Message

Gamma Nu Sisters,

It was great seeing so many of you at our breakfast in August. It was a wonderful morning with good food and fellowship. Another exciting part of the breakfast was having several lovely ladies attend as guests. They were able to see all the fun we have together while also hearing about our programs for the upcoming year. Hopefully there are some future members in that group. I am excited to see everyone September 8<sup>th</sup> at Peter E. Hyland. Fellowship begins at 5:15 pm followed by the meeting at 5:30 pm.

Kristi Warren, Gamma Nu President

## High Notes

**Please rejoice with the following:**

- ~ Pam Ansley will be attending and presenting at the Area II Workshop at Port Neches Groves High School on Saturday, September 10. She will be presenting two sessions on “Programs, Projects, and Celebrations!”**
- ~ GCCISD – our district missed having an A rating on STAAR by ONE POINT! This shows the love and dedication our teachers, staff, and administrators are giving to our students! Here we truly are Growing Giants!**
- ~ GCCISD Board of Trustees who were selected the top School Board in Region 4 and has advanced to one of the top five in the state of Texas! Results will be announced at TASB in San Antonio on September 22-24!**

## Grace Notes

**Please pray for the following:**

- ~ For all teachers as they are returning to school and ready for the challenge of educating our children! Their dedication is what keeps GCCISD in the forefront of other districts in our area!**
- ~ Brenda J. Clem who fell and broke both knees (the bottom of the femurs). She is recovering from the two surgeries to repair her two broken knees and hopes to be walking again soon!**
